Dear Professor

On behalf of the Romanian Mathematical Society and the „Tudor Vianu” National High School of Computer Science - Bucharest, we are pleased to invite your country to participate in the 7th Masters of Mathematics to be held in Bucharest, Romania, from February 25th to March 1st 2015.

Your country is invited to bring a team of 3 to 6 students who must be born after 31 December 1994 and are not enrolled at any university. Each team should be accompanied by an adult Team Leader. If necessary a Deputy Team Leader can accompany the team.

All expenses of all the above, including meals and accommodation, will be provided for the official period of the competition.

Regulations of the RMM and online forms can be found on the website:
