

The ROMANIAN MASTERS of MATHEMATICS

REGULATION

1. General

1.1. Aims of the Romanian Masters of Mathematics (RMM) are:

- a) The challenging, encouragement and development of mathematically gifted school students from all participating teams;
- b) The fostering of friendly relationships among the students and teachers of the member countries;
- c) To create opportunities for the exchange of information of school syllabuses and practice within the member countries.

1.2. The Romanian Masters of Mathematics is organized by the National High School of Informatics "Tudor Vianu" in cooperation with the Bucharest District 1 City Hall, the Romanian Mathematical Society, Ministry of Education, and the University "Politehnica" Bucharest.

1.3. The official language of the RMM is English.

1.4. The Romanian Masters of Mathematics is organized once every year. The RMM 2025 will take place between February 10th and February 15th 2025.

2. Participation

2.1. Participation in the RMM is by invitation only. Invitation should be sent by the RMM Committee at least two months before the contest day and it should include:

- a) Four students from each invited team. Students must not have formally enrolled at a university or any other equivalent post-secondary institution
- b) Each team should be accompanied by an adult Team Leader. If necessary, a Deputy Team Leader can accompany the team.
- c) Observers including family members (the "Observers") may apply to accompany the Participants and the terms under which they can do so are detailed in sub-clause 3.4 below.
- d) Each team should pay a participation fee of 500 euros in the account of the Romanian Mathematical Society, before participation.
- e) **For any supplementary student there will be a charge (see 3.4). Each country could enrol in the contest up to six students (i.e. no more than two students except the invited ones.)**

2.2. The official program (the "Official Program") as referred to below is the program and outline itinerary for the RMM 2025 and associated events and will be marked "Official Program".

2.3. Each invited country wishing to participate in the RMM 2025 must confirm its participation by completing in full the Form before December 15th 2024.

2.4. Leaders are responsible for the conduct of the Contestants, and for the avoidance of doubt the Leaders are acting in loco parents for their Contestants except where the RMM 2025 Organizing Committee has been notified in writing that an Observer has been nominated to act in loco parentis.

2.5. Leaders must ensure that their Contestants know and fully understand clause 2.4 of these Regulations. They must also make it clear that any Contestant who violates any of these Regulations may be liable to disqualification from the RMM. In order to

avoid any trouble or accident, Leaders must also inform fully their Contestants of the contents of "Important Contest Information for Contestants".

2.6. Leaders of the invited countries and of the two Romanian Teams will form the Jury. The President of the Jury is nominated by the Romanian Organizers and will vote only in case of ballot.

3. Responsibility for Accommodation and Expenses

3.1. The RMM Organizing Committee will provide free accommodation, meals, land-based transport according to the Official Program for all Leaders and Contestants.

3.2. Other than in respect of the provision of accommodation, meals and transport as detailed in clause 3.1 and the Official Program, the Organizing Committee shall not be liable under any circumstances for any costs or expenses for those who spends extra days in Romania outside the relevant dates specified in sub-clause 1.4 above, or;

3.3. All Participants and Observers are responsible for obtaining full accident, health and travel insurance. It is the Leader's responsibility to confirm that this condition has been met for all members of his or her team and supplementary students.

3.4. For Observers and supplementary students each country should pay a fee of 500 euros for a shared bedroom and 600 euros for a single one each, before 1st of February. The fee will include the accommodation, meals, land-based transport and other events according to the Official Program.

4. Contest Regulations

4.1. Each participating (including Romania) team should propose problems and they should be mailed until January 1st 2025 at an email address that should be communicated to the to the leaders.

The proposed problems must be written in English and should include their solutions.

4.2. The Problem Selection Committee should prepare a list of at least 10, from the proposed ones, to be presented to the Jury. The Problem Selection Committee will present also the selected problems (6 problems) for the contest to the Jury and these will be approved by the vote of the leaders. The President of the Jury has the final vote in case of no majority. Any of the problems on the short-list cannot be used in competitions or published elsewhere, without the written permission from the author.

The Problem Committee Chairmen should be asked in such a situation.

4.3. The RMM 2025 contest will take place during two days (February 12th and 13th) and should have a duration of 4 1/2 hours continuously. The contest shall consist of three problems per day. Each contest will respect the rules of the International Olympiad including the scoring.

4.4. The problems will be given to each Contestant in his/her own language. On request a Contestant may receive the problems in the official language of the event.

4.5. Each Contestant must work independently and submit solutions in his/her own language. The solutions must be written on answer sheets provided by the RMM 2025 Organizing Committee. Contestants must write on only one side of each answer sheet.

4.6. The only instruments permitted in the Contest will be writing and drawing instruments, such as rulers and compasses. In particular, books, papers, tables, calculators, protractors, computers and communication devices will not be allowed into the examination room.

4.7. Members of the Jury, Observers and any others who have sight of the problems and solutions before the examinations shall do their utmost to ensure that no Contestant has information, direct or indirect, about any proposed problem. They must also ensure that all Contest problems and solutions are kept strictly confidential until after the entire Contest has finished. They will be barred, except for the case of emergency, from having any external communication with Contestants (and accompanying Observers) until the time of the conclusion of the examination. The RMM 2025 Organizing Committee will provide proper assistance in case of an emergency.

4.8. The Romanian teams will be coordinated in a similar way as all the invited countries. The coordination of the Romanian teams will be observed by designed member of the jury.

4.9. There will be two categories of prizes: prizes for teams and individual prizes. The prizes for teams will be only for the first three teams according to the descending sum of the best three scores in the team. Individual prizes will follow the IMO rules: the numbers of first, second and third prizes will be approximately in the ratio 1:2:3, given in decreasing order of scores. Team prizes will be given by the following rule: for each team the best three scores out of the four students nominated by the leaders, will be considered.

4.10. Each Contestant shall receive a Certificate of Participation.

4.11. Special prizes may be awarded to particularly meritorious and elegant solutions.
