Leader of the IMO team

Dear Professor,

On behalf of the Romanian Mathematical Society and the „Tudor Vianu” National College of Computer Science Bucharest, we are pleased to invite your country to participate in the 17th Masters of Mathematics which will be held in Bucharest, Romania, during February 23rd – 28th, 2026 (arrival day February 23rd, departure day February 28th).

Your country is invited to bring a team of 4 students who must be born after 31st of December 2004 and are not enrolled at any university. Each team should be accompanied by a Team Leader and a Deputy Team Leader. There is a participation fee for each invited country of 800 euros, to be paid to the RMS by bank transfer.

All expenses, including meals and accommodation, will be provided for the official period of the competition for these six persons.

For each supplementary participant (teacher or student) there is a fee of 600 euros for a shared bedroom and 800 euros for a single one, which should be paid to the Romanian Mathematical Society account.

Regulations of the RMM and online forms can be found on the website: rmm.lbi.ro. Please confirm your participation as soon as possible at rmm@ssmr.ro.

We are looking forward to welcoming your country's team to the 17th Masters of Mathematics. Yours sincerely,

Radu Gologan
